Leadership Today – the Transitional Phase of Half Measures

## LEADERSHIP AWARENESS

	<b>LEADERSHIP AWARENESS QUESTIONS</b>	<b>YES OR NO</b>
1	Is your company's business structure or business model in a phase of transition?	
2	Is it clear to you what the transformed business model or internal restructuring will look like a year from now, and how it will change employee working methods?	
3	Are you satisfied that your current organisational structure is suited to your company's objectives and internal and external developments?	
4	Would you say that the context of planned changes is as clear to those involved as the changes themselves?	
5	Have you consciously created your own professional framework?	
6	Have you reached the point that you can let go more and focus on new areas of importance?
